Cookie Policy – COMPASS WEBSITE

Like most websites, this website uses cookies.

1. What are cookies?

Cookies are small text files stored on your computer by your browser. They are used for many reasons, such as remembering whether you have visited the site before, so that you remain logged in - or to help us work out how many new website visitors we get each month. They contain information about the use of your computer but do not include personal data about you (they don't store your name, for instance).

This Cookie Policy ("Policy") explains how cookies are used on our websites in general.

2. About this Cookie Policy

This Policy applies to our websites and our mobile applications (individually and collectively referred to in this Policy as "the Website").

Any changes to this Policy will be posted here. We reserve the right to vary this Policy from time to time and such changes shall become effective as soon as they are posted. Your continued use of the Website constitutes your agreement to all such changes.

The Website uses cookies in order to make it easier to use and to support the provision of relevant information and functionality to you. Cookies also provide us with information about how this Website is used so we can keep it is as up to date, relevant and error free as possible. Further information about the types of cookies in use on this Website is set out below.

3. What categories of cookies may be used?

The following types of cookie may be used on this Website. We don't list every single cookie used by name - but for each type of cookie we tell you how you can control its use:

- Strictly Necessary Cookies
These cookies are essential, as they enable you to navigate this Website and use its features, such as accessing secure areas. These cookies allow this Website to provide services at the request of users.

Without these cookies, services you have asked for cannot be provided.

- Performance Cookies
Performance cookies allow us to update this Website to cater for Website user preferences and improve performance. They collect information about how this Website is used, e.g. which pages users visit most often and where error messages are delivered.

- Functional Cookies
Functional cookies allow this Website to remember choices you make, e.g. your user name, log in details and language preferences and any customisations you make to Website pages during your visit. They are necessary to provide features and services specific to individual users.

- Targeting Cookies

These cookies collect information about your browsing habits on this Website in order to make advertising both on this Website and other websites you subsequently visit relevant to you and your interests, to limit the number of times those adverts are served to you and to help measure the effectiveness of advertising campaigns.
